

Event Gallery Night & Day

NEWS

The Haggerty Museum will be open this Friday until 8 p.m. for Gallery Night and this Saturday from 10 a.m.- 4:30 p.m. for Gallery Day. As a part of this summer's Gallery Night/Day initiative to offer family-friendly programs for visitors (look for coverage in the Journal Sentinel), the Haggerty will offer a hands-on activity based on the installation by *Current Tendencies IV* artist Keith Nelson and a kids' gallery guide that includes activities for all the *CT IV* installations. A Keith Haring coloring book with images from the Haring construction fence now on view in the museum will also be available. Families also are encouraged to explore the *CT IV* outdoor sculptural installation, created by Marc Roehrle and Mo Zell of bauenstudio, located in the sculpture garden at the north end of the museum.

Students from Circle Home School coloring in the gallery.
