Dashboard

The Competency.AI dashboard shows a comprehensive and dynamic view of student competency levels.

Use the dashboard filters to sort information by Mid-Term or Final Assessment, Cohort, Batch, Clinical Experience and Student.

The screenshot displays the Competency.AI dashboard interface. At the top, a red-bordered box highlights the filter section, which includes:

- Show Assessments:** Checkboxes for Mid-Term and Final.
- Cohort:** A dropdown menu currently set to "All".
- Batch:** A dropdown menu currently set to "All".
- Clinical Experiences:** A dropdown menu with the text "Select Clinical Experience".
- Date:** A text input field showing the range "04/01/2023 - 05/15/2023".

Below the filters is the **Competency Performance** section. It features two main filter groups:

- Domain:** Includes buttons for "Professionalism x" and "Interpersonal x", followed by a "+2" dropdown.
- Competency:** Includes buttons for "1.1 Ethical Practice x" and "1.2 Legal Practice x", followed by a "+9" dropdown.

At the bottom of this section, there is a legend with a black square for "Mid-Term" and a green square for "Final". A partial chart is visible on the left, showing a score of "1.2".

Select specific Domains and Competencies and mouse-over to see the score for each competency for additional information.

PT/PTA Assessment

PT/PTA Assessments are assigned by the DCE.

Use PT/PTA Assessments complete or review assessments and track assessment completion progress.

The screenshot shows the 'PT Assessments' dashboard. At the top, the 'PT Assessments' menu item is highlighted. Below the navigation bar, the 'Assessments' section is active, with 'Mid-Term' selected. The dashboard displays an overall status of 25% completion, with 1 assessment complete and 2 pending. A table lists four assessment entries with the following data:

Clinical Experience	Student	Cohort / Batch	Due Date	Status	Shared	Assigned CI	Assessed On	Self Assessm...	Action
Sidney Kimmel Medical College (05/09/2023 - 05/29/2023)	Konojia, Sonia something@apta.org	2023 / Batch 1 2023	05/15/2023	Not Started		Pisapati, Sowjanya testing5@verizon.net		Not Started	Start Faculty Assessment

Start, Continue or View Assessments

APTA Rubric evaluations have been created and mapped by APTA administrators. Click the Action for your selected student to Start or Continue an assessment. If the assessment is complete, click the Action to View the assessment.

This screenshot is identical to the one above, but with the 'Action' column highlighted in red. The actions available for each row are: 'Start Faculty Assessment' for 'Not Started' status, 'Continue Faculty Assessment' for 'In Progress' status, and 'View Faculty Assessment' and 'View Student Assessment' for 'Complete' status.

Verify the student's name and evaluation, then complete the rubric by selecting the appropriate response for each criterion.

Scroll to the end of the rubric to add comments for an **Overall Summary** and **Performance Concerns**.

Check the Send Email to DCE box to send an email notification to the DCE when you have a Significant Concern. Note: The email will be automatically sent when “Save as Draft” or “Submit” is clicked. These comments will be shared with the students after the DCE/ADCE reviews them.

The screenshot shows the Competency.AI interface for a student named Sonia Konojia. At the top, there is a navigation bar with 'APTA', 'Dashboard', 'PT Assessments', 'PT Reports', 'Clinical Site Profile', 'Settings', and 'My Notes'. The current page is 'MidTerm - Konojia, Sonia' with a 'Pending' status. Below the navigation is a table with 7 columns representing different competency areas. The first column is highlighted in yellow and contains the text '5.1: Guiding and Coordinating Support Staff'. The other columns contain brief descriptions of supervision and management requirements. Below the table is a red-bordered section containing two text input fields: 'Overall Summary (Please include the student's strengths and areas for further development.)' and 'Performance Concern(s), Unsafe Event(s), Incident(s) to be Recorded'. Below these fields is a checkbox labeled 'Send Email to DCE'. A note below the checkbox states: 'Note: When this box is checked, an email will automatically be sent to the DCE when "Save as Draft" or "Submit" buttons are clicked. These comments will be shared with the student after the DCE reviews them.' At the bottom of the red-bordered section, there is another note: 'Once you click Submit, the CPI 3.0 is complete and you will not be able to make edits. Please review your selections and comments, then click Submit.'

Save your Rubric

Save As Draft allows you to save an incomplete rubric without publishing it to other areas in Competency.AI. Rubrics saved as a draft will remain in **pending** status until edits are complete and submitted.

Submit Once you click submit the rubric is **complete**. You will not be able to make any edits. Please review your comments and selections carefully, then click **Submit**.

Back brings you back to the PT Assessments page. **CHANGES WILL NOT BE SAVED**

This close-up screenshot shows the bottom navigation bar of the interface. It features three buttons: 'Back' (with a left arrow icon), 'Save as Draft' (with a document icon), and 'Submit' (with a document icon). The 'Back' button is highlighted with a red border, 'Save as Draft' with a yellow border, and 'Submit' with a green border. Above the buttons is a dark blue header bar containing the text 'University of Neurologic Residency', a dropdown arrow, a share icon, a help icon, a user profile icon, and the text 'Record, Test' with a dropdown arrow.
